Any character or monster that doesn't notice a threat is surprised at the start of the encounter. If you're surprised, you can't move or action on your first turn of the combat, and you can't take a reaction until that turn ends. A member of a group can be surprised even members aren't. If this seems familiar to some players, it's because this is very similar ...

Cleft lip and cleft palate, also known as orofacial cleft, is a group of conditions that includes cleft lip, cleft palate, and both together. A contains an opening in the upper lip that may extend into the nose. The opening may be on one side, both sides, or in the middle. A cleft occurs when the roof of the mouth contains an opening into the nose.
